

Design for Dementia

Robin's passion is working with older adults with dementia. She was awarded the first Master Certificate in Dementia Care by the Alzheimer's Association in 2009. She offers simple home modifications that can ease the daily stress of caregivers and those they care for. Special organizational skills can be learned to simplify daily activities and lead to better and more enjoyable times with your loved one.

For those with dementia who need to move to a new home, we utilize all of our training and compassion to make the move as effortless and stress-free as possible. We are right by your side through every step of this major ordeal.

Fresh Spaces can provide custom and general "Reminisce Kits" that are a great resource for older adults who are looking for creative ways to keep their memories alive. Be sure to ask for more information!

About Fresh Spaces

Robin Korn is a fifth generation Coloradoan who founded Fresh Spaces, LLC in 2006. She is a board member of the National Association of Senior Move Managers (NASMM) and is the Colorado ambassador for the National Association of Professional Organizers (NAPO). Robin is a former antiques dealer with numerous resources for the disposition of your treasures. Her training in dementia care issues is extensive and ongoing. Dignity and respect are top priorities and she oversees every job. Team members, when required, are trained and experienced to help with your every need.

Whether you are moving, downsizing, modifying your home to safely and securely age-in-place, or simply organizing your belongings, Fresh Spaces' superior attention to detail and extensive knowledge of available resources can make your transition a success.

A lifetime of happy memories usually leads to a houseful of possessions. Loved and forgotten, necessary and disposable – whatever the sentiments attached to them, sorting, organizing and disposing of those belongings can be an overwhelming task.

Fresh Spaces, LLC provides a complete range of senior move management, organization and home modification services to clients who are adjusting to changes in their living environments. Our professional, people-directed services allow older adults and their loved ones to focus on their happy memories, eliminating the stress often associated with concerns over how to organize, declutter and disperse of the items accrued over a lifetime.

We are an “inclusive” business committed to working with all kinds of families. Robin and her team are dedicated to helping all older adults with the transitions of life.

You'll feel good knowing that Fresh Spaces is a “green” company and practices the three “R”s – we reduce, reuse and recycle at every opportunity. We are committed to helping the environment while helping you!

Senior Move Management

At Fresh Spaces, our professional move managers will assist you in dealing with the issues and obstacles of moving. Through our extensive experience with moves like yours, we've developed systems and procedures that streamline the process, and eliminate the stress of managing all the myriad small issues that arise during relocation.

We offer the level of support that is right for you, from planning and advising through managing and executing your entire move. Depending on your needs, our services may include:

- Space planning to determine what will fit in your new home
- Disposing of downsized items through various venues
- Preparing your old home for sale

- Coordinating with the moving company
- Unpacking
- Disposing of all packing materials at the completion of your move
- Setting up your new Fresh Space by hanging artwork, placing accessories and making your bed
- Organizing cupboards and closets

Home Modifications

Not everyone wants to move to accommodate their changing needs. Often those needs can be met with simple changes in your existing home. We at Fresh Spaces, not only understand the challenges of aging-in-place, but we offer practical, affordable

solutions. Fresh Spaces provides a complete range of home modification services. Through our extensive network of resources, we will help you identify and source items that will make your everyday life safer, easier and less stressful for you and your family. Simple and affordable home modifications can include:

- Installing handrails and grab bars
- Lowering the height of hang bars and shelving in closets
- Adjusting lighting to eliminate glare
- Scheduling safety audits by specialists

Residential Organizing

One of our organizing specialists will create a plan designed to help you with your particular challenge. We help you see the hidden reasons for your disorganization and teach you how the new plan will work and how to maintain it. You will gain time in your life to enjoy the important things and create serene living areas.

Some of Fresh Spaces' organizing skills include:

- Closets (we custom design and install the elfa® system!)
- Home offices
- Memorabilia
- Basements and garages
- Whole house clean-outs
